

# GREATER Things

## THE FACTS

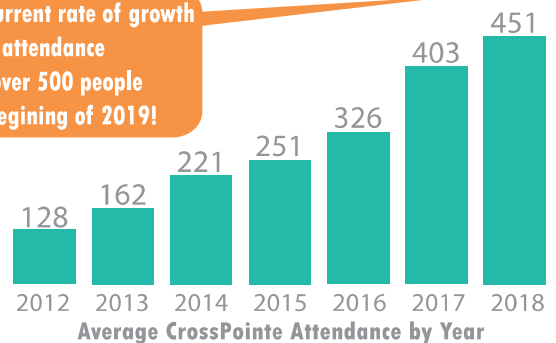

### THE PURPOSE OF THE GREATER THINGS CAMPAIGN

1. To have a greater spiritual impact on our community and the world. 
2. To raise funds to expand our current building and parking space.

### GROWING OUT OF OUR SPACE!

At our current rate of growth average attendance will be over 500 people by the beginning of 2019!

### HOW MUCH MONEY WILL IT COST?

**VICTORY GOAL > \$500,000**  
**\$1,000,000 < DREAM GOAL**

### MY PART WHAT CAN I DO?

**GIVE:** We ask that you pray about making a financial commitment above your regular giving. Consider giving:

- Excellently** - Write the largest check you've ever written to the church on commitment weekend.
- Regularly** - Weekly or monthly through the end of 2020.
- Creatively** - Think of non-cash gifts: real estate, boats, cars, stocks, bonds, etc.

### TIMELINE

"Now all for the glory of God, who is able, through His mighty power at work within us, to accomplish infinitely more than we might ask or think." - Ephesians 3:20

# CROSSPOINTE GREATER THINGS

## GREATER THINGS CAMPAIGN - THE FACTS

Hello CrossPointe,

The month of September has been a time of huge celebrations and special remembrances for our church! It was six years ago last week that we changed our name from First Christian to CrossPointe Christian church. Two years ago Phase 2 of our building was completed. This month we also held a church wide picnic to celebrate five years of worshipping at our new campus.

Who could ever have imagined what God would do here in just five short years! We've added a third service. A new 3000 square foot Children's Wing was constructed and most importantly, literally hundreds of people have given their lives to Christ here during that time.

This tremendous growth has also come with some growing pains. Our services are continuing to fill up and our current sanctuary is not large enough to add more seating. Most Sunday's our parking lot is full or almost full as well. And we are quickly running out of classroom, kitchen and storage space as well. These are all good problems for a church to have but the reality is that our current building size is beginning to hinder our ability to minister to our community.

People who can't find a parking space, worship space and large areas for their children to learn and grow in will eventually look somewhere else to attend church. We have looked into many options to overcome some of these hurdles and the leadership of the church believes the best way to overcome them is to pay down our current mortgage and extend the size of our building and parking areas.

In order to do this we need to raise \$500,000-\$1,000,000 above our current giving. The Greater Things campaign that launches this fall will run through the end of 2020. We will be asking everyone to make a commitment above your normal giving towards this goal.

Here's something important to remember: **Greater Things is not a money thing – it's a people thing!** CrossPointe has always been and will always be about reaching people for Christ. It's not about numbers, it's about changed lives!

Ephesians 3:20 says, **"Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us."**

Five years ago we could have never imagined the great things God was going to accomplish through CrossPointe. We hold to the hope and the belief that with our prayers and commitment God will do even Greater Things in the next five years of our church. Immeasurably more than we even ask or imagine!

Looking forward to Greater Things,
